About the Cover

Gustave Brion (French, 1824–1877). *Harvesting Potatoes During the Flood of the Rhine in 1852*. Oil on Canvas. Photo credit: Gérard Blot. © RMN-Grand Palais / Art Resource, NY.

A book illustrator as well as a painter, Brion created the first portrayal of Inspector Javert for the first edition of Victor Hugo's *Les Misérables* and also drew Quasimodo for *The Hunchback of Notre-Dame*. His paintings focused on the daily activities of people in Alsace; here, he depicts the low back and shoulder strain of harvesters trying to save the potato crop in a time of flood.
